

Response to FEC letter: Reference: 24-Hour Notice of Disbursements/Obligations (01/01/06-09/08/06), dated 09/08/06. Amendment has been faxed. The 24 hour filing was not required until 09/08/06 so we included all public disclosures up to that point. Amended the "covering period" date to coincide with the opening date of committee. Communications were removed from this report that had public distribution dates later than this reporting period. Amended some amounts to reflect refunds received after original report filed. The communications title identified in the letter were reported with the same distribution date because one payment was a TV Buy and the other payment was TV production of that Buy as listed on original report. Costs for each particular communication are reported based upon the public distribution date and not the payment (disbursement) date.
